

BOARD VERITAS

BALANCED APPROACH

PROVEN CURRICULUM MEETS STEADFAST PRINCIPLES

Leadership coaching is informed by research and honed by practice.

Proven nonprofit governance theory fused with BoardSource research experience.

Cross-pollination: our clients benefit from the wisdom we've gained across a variety of industries.

Unique curriculum and approach designed to help turn pretense into productivity.

GOVERNANCE AUDIT & REVIEW

Governance Audits and Governance Reviews provide a valuable, candid, and well-documented assessment of your organization's operational effectiveness, accompanied by recommendations for improvements.

TRAINING / COACHING / CONSULTING

Training / Coaching / Consulting allows us to provide one-on-one education, process implementation, and skills development.

CERTIFICATE PROGRAMS

We are revising our Certificate Programs in 2020. Certificate Programs are a compelling and practical way to build skills and increase engagement within your organization.

RETREATS

We frequently use Retreats as a way of disrupting an unproductive paradigm. Situating a group in a different environment and facilitating open communication leads to productive

MISSION

BOARD VERITAS exists to advance the effectiveness of boards and their leadership.

PERFECTED PROCESS

EMOTIONALLY INTELLECTUAL CANDOR

Calculated administrators with a necessary degree of warmth and an overwhelming proclivity for cultural sensitivity.

Facing it head-on:

- Addressing the barnful of critical questions that aren't being asked
- We won't contribute to the mediocrity by beating around the bush

Coaxing out critical issues requires finesse and tenacity.

Ensuring effective implementation of difficult endeavors requires an astute messenger.

The BOARD VERITAS difference

Certainly, the Board Veritas team brings scientific best practices, experience-based strategies, and extensive skills to each engagement. What makes us unique is our ability to tactfully bring the things that often go unspoken to the surface. Many organizations have extremely difficult underlying issues that – for reasons that may be political, cultural, or personal – remain buried and unaddressed.

Quite often, these are the issues that hold an organization back. Our diverse and sophisticated team can help your organization productively and sensitively address such issues, and integrate related solutions into a new culture of performance and communication for your organization.
